

GIRLS U-15 HSA Select 04

Head Coach Tony Coronado

Bio I have played soccer for 30 years and have coached for 20+ years. Soccer is a way of life for me. It has taught me to work as a team, problem solve quickly, lead at times, follow directions when needed, overcome disappointment, feel accomplishment after hard work and build something that could not be built by myself. I am a teacher and student of the game.

Coaching Philosophy To provide a fun, healthy environment for personal and physical growth.
