

GIRLS U-14 HSA Select 05

Head Coach RobRoy Chalmers

Bio I started playing soccer in junior high in New York and played until my junior year when I was poached by the Cross Country team. I have never lost interest in the game and still play in pick up games. I hold an E coaching license and am a Grade 8 referee.

Coaching Philosophy I love the game we play and I want to convey that love of the game to my players and I want to coach them to be the best possible players they can be. Beyond the game I want to build confidence in my team. I want the girls I coach to go on to be strong and independent women who take what they learn on the field to their daily lives. Quick individual decisions all the while working together to create a better future for themselves. I am also an out spoken advocate for equal time and pay for our female athletes.

Current/past teams 2018 - G05 Silver team
2017 - I led the G05/06 Select team to a winning regular season
2014/15 - I coached two Girls WSSC teams
2012/13 - I coached a Girls WSSC team

In this past year Raising a daughter in this world only strengthens my desire to become a better coach.

Fun fact I am a classically trained ballet dancer.
