

## **GIRLS U-13 HSA Select 06**

**Head Coach** Jeff Bradshaw

**Bio** I have played soccer from the age of 5, and continue to play on a competitive men's team.

Currently, I am a Special Education Teacher at North Hill Elementary in the Highline School District.

I hold both a Bachelor of Science in Physical Education, Special Education and a Coaching minor.

I am a Soccer Referee with a grade 8 license.

This summer I will obtain an E Coaching License.

**Coaching Philosophy** My philosophy is to create a positive environment for the advancement of soccer skills, youth development and knowledge of the game for both players and parents. My coaching belief is that winning is not necessarily the first goal, but rather improvement of both skill level and knowledge of the game will result in overall success.
